Step 1: Choose your print.

Every gallery photograph on the website has a title and code. For example, the Autumn Gallery displays a print with the title "Reed Canary Grass" and code "aut002." After selecting the print you wish to order, list its title and code in the table below.

Step 2: Choose your format.

You can choose from the following options: (A) Print mounted on a backing board; (B) Print with a mat that we've selected (*you can see on the website how they might look together*) ; or (C) Ready-to-hang print that includes the photo, mat, frame, and hardware for hanging it. The outside dimensions of framed prints depend on the individual piece – the 'finish size' indicates what the size of the glass would be in order to fit the piece.

Please put an **X** on the line below to indicate your choice for format.

<u>Finish Size 8x10</u>	<u>Finish Size 11x14</u>
_____ 5x7 Print on Backing Board	_____ 8x10 Print on Backing Board
_____ 5x7 Print on Backing Board with Mat	_____ 8x10 Print on Backing Board with mat
_____ 5x7 Ready-to-Hang Framed Print	_____ 8x10 Ready-to-hang framed print

**Note: The limited edition, signed photographs in the Collector Photographs Gallery have special formats, as detailed on the website, so it is not necessary to specify them here on the order form.*

Step 3: Determine your order total by filling in the table below.

Look at the website for prices or follow the links within the table to go the appropriate pricing chart page.
